Welcome to the Pagoda SL Group

The International Club for Mercedes-Benz 230 SL, 250 SL and 280 SL Roadsters based on the W113 platform.

This site and this Group were established as a source of information relating to the Mercedes W113 cars and to help maintain, restore, exhibit, and promote the ownership and admiration of these cars among the international community of W113 enthusiasts.

For details about our Group, see the menu items at the left. We have our bylaws, membership information, and lots of informative sections here.

The buttons above this text bring you to our Forum, for a wealth of information and a great community of car owners. Join us today for your free Forum membership. If you become a Full Member for a nominal fee you help to pay for the upkeep of this site and receive additional benefits.

We have a Technical Manual with lots of useful information to keep our cars running and to maintain or restore, or just learn more, about your vehicle. Our Technical Manual is powered by a Wiki, so Full Members are able to edit and contribute to the content. There is some premium content available, only for Full Members.
