ACCOMMODATIONS & MAPS

I recommend that accommodations be made as soon as possible since there will be a lot of visitors to the Concourse d' Elegance during this weekend. So, don't wait too long.

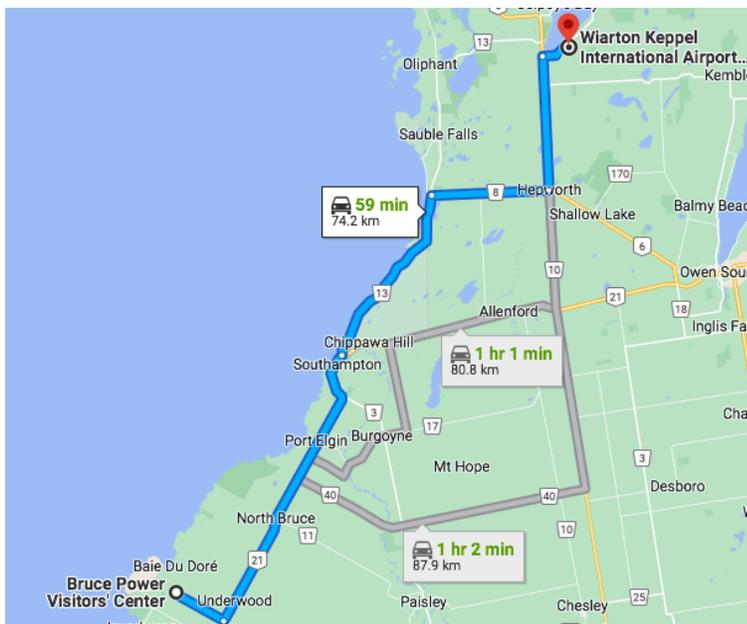

Also it will be a good idea to make your reservations near the area where the next event will take place for example: I will be traveling from London, ON on Friday morning and plan to arrive at the Bruce Power Visitor Center around noon to see the Participants cars arrive at that location. I assume they plan a lunch there and this will give us plenty of time to have a close look at there cars. There will be one Pagoda and one Ferrari from our members part of the Participants Road Trip. (Hugh R and his Ferrari and Peter J. with his fully refurbished Pagoda,) . Once the Participants cars leave Bruce Power Visiter Centre we can (the Pagodas) make our way as a group to Saturday's location for the *Cars, Planes & Coffee event*.

MAPS TO THE EVENTS

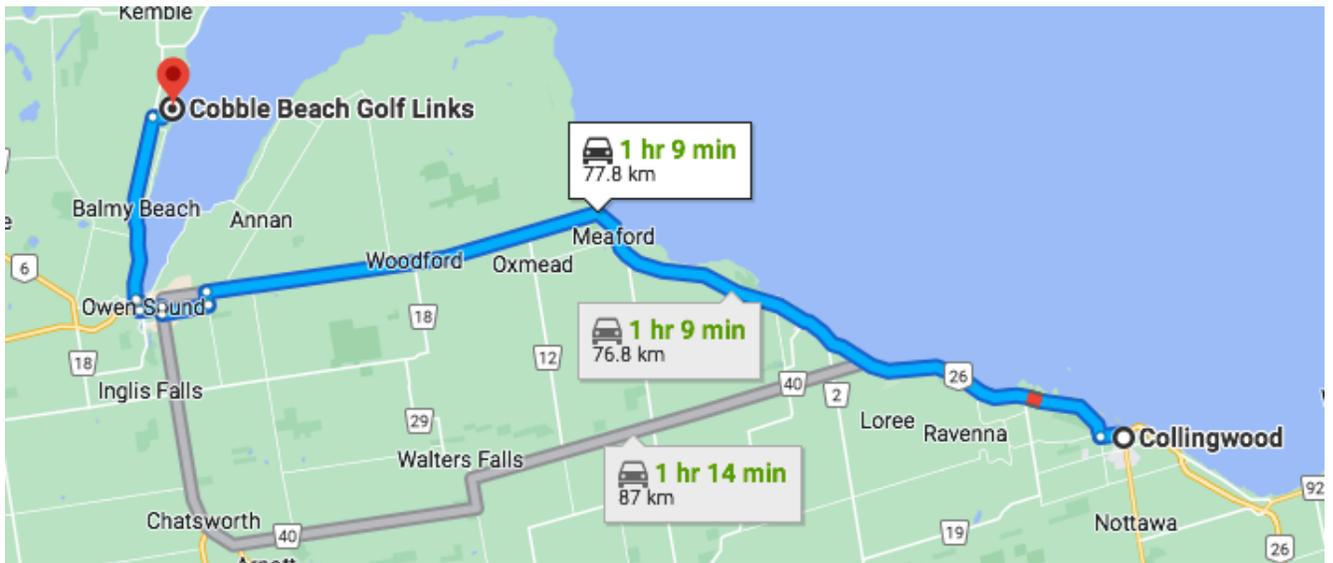

Friday September 16,
2020 TORONTO TO
THE **BRUCE POWER

CENTRE** =EVENT:
Some of the cars that
are participating in the

d' Excellence will be arriving here at Noon. We can observe them as they arrive and leave after lunch. We can then make our way to the next location
Cars, Planes & Coffee event

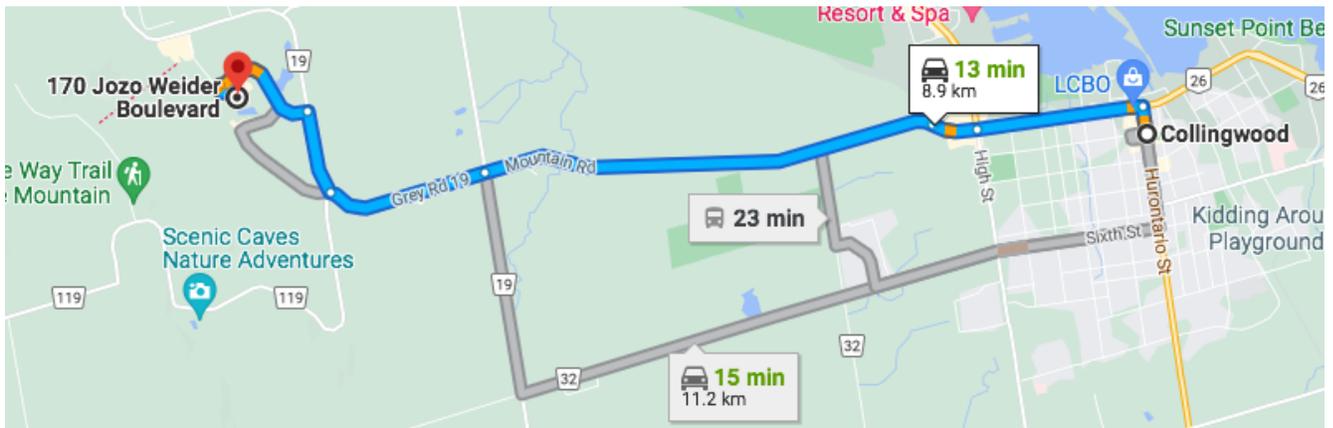

Once the Participants of the
Concourse d' Excellence have
left on Friday September 16,
2020 afternoon we can make
our way further north to the
next event that will take place
on Saturday morning Sept.17
2022 at 9:00 am. at the
Warton Keppel International
Airport. This event will be
from 9: 00 am to 1:30 pm.

We can use the rest of the
Saturday September 17, 2022 to make our way to Collingwood, On to
take in the presentation offered to us at the **BUFF-IT DETAILING**
offered to us by James Jamieson See Map on next page below.

This looks like a nice drive after the Cars Planes and Coffee Event. and should take us to the BUFF-IT DETAILING facility around 3:00 PM on Saturday afternoon were Peter Jamieson is planning to give us a demonstration about detailing.

After the presentation at the BUFF-IT DETAILING/Presentation it is only a sort drive to Bill Vomvolakis Restaurant. We can plan to have our dinner here or at any other restaurant you wish.

After dinner everyone will return to there Saturday accommodation, I have reservations in the Collingwood area and will make my way to the Concourse d' Elegance .on Sunday morning.

If you are staying over night in the Collingwood area (I understand prices are a bit more reasonable here) then the drive on Sunday morning is only 1 hour and 10 minutes to the Concourse d' Elegance Event at Cobble Beach.

You may have read on the Cobble Beach web site areas that visitors parking will be in a farmers field some 15 minutes away from the main gate of the Cobble Beach Concourse d' Elegance were you are bussed in and out with waiting times at each end. Not very desirable

Mr Peter Jamieson has made contact with the owner of Cobble Beach Golf Links and arranged for the Pagoda Group to park inside the Concourse Event grounds. in a special area. Cost for each car will be \$50.00. They don't offer this to the public only sponsors and VIPs

PLEASE NOTE; I need to know from each member of our Pagoda group if you plan to park in the farmers field or inside the gates of the Concourse d' Elegance grounds in the special reserved parking area. for us at \$50.00 each. Please post an e-mail tp me at rolfdietersolga@mac.com were you are planning to park your Pagoda if you plan to visit the Cobble Beach Concourse d' Elegance Event.

If you are living in Ontario or in the USA near our borders and are not part of our group and wish to join us drop me a line I do have a few spots left open. It promises to be a fun weekend.
