Dear PagodaFest 2023 Attendee:

Your Registration is complete and we can't wait to see you all in Chicago!!

Below you will find an almost-complete Agenda for the activities. We are still finalizing presentations and related schedules.

Over the next week, you will be getting the following emails:

First: A way to order embroidered apparel and merchandise for PagodaFest Chicago 2023 via an attached link. Orders will need to be completed by September 10, in order to be shipped to Chicago and handed out at the event (which will save shipping costs and time to all of your homes).

Second: We have scheduled a tour of The Frank Lloyd Wright Home and Studio for Friday morning and early afternoon. This is comprised of docent led tours of the Studio and docent led walking tour of 7 nearby Wright designed homes (exterior street views only). We are providing a "Party Bus" which can hold up to 30 people. We will also be providing a lunch before returning back to the Lodge at Oak Brook. This is however limited to the FIRST 25 WHO REGISTER, DUE TO LIMITATIONS OF THE TOUR. We need to have Registrations in by SEPTEMBER 7, because we need to pay the Frank Lloyd Wright Foundation 3 weeks before the event.

Third: We will have a list of all the meals provided, and need to have your selections for Friday's Dinner by SEPTEMBER 14.

Finally, we are looking for attendees who have recent project that they could talk about in a brief Panel discussion (30 minutes or less) of a few people should contact me as soon as possible. We'd like to include it in the Friday Presentation day schedule.
